SCHEDULE 1

Conditions Of Sale

1. INTERPRETATION

1. In this schedule 1, "Conditions" means the Conditions of Sale set out below and (unless the context otherwise requires) includes any special terms and conditions agreed in writing between the Customer and Valkin.
2. Any reference in these Conditions to any provision of a statute shall be construed as a reference to that provision as amended, re-enacted or extended at the relevant time.
3. The headings in these Conditions are for convenience only and shall not affect their interpretation.

2. BASIS OF EACH SALE

1. Valkin shall sell and the Customer shall purchase the Goods pursuant to a Customer/Valkin Purchase Order in accordance with the Agreement and these Conditions, which shall govern such sale and purchase to the exclusion of any other terms and conditions subject to which any such quotation is accepted or purported to be accepted, or any such order is made or purported to be made, by the Customer.
2. No variation to these Conditions shall be binding unless agreed in writing between the Customer and Valkin.
3. Valkin's employees or agents are not authorised to make any representations concerning the Goods unless confirmed by Valkin in writing. In entering into any Transaction the Customer acknowledges that it does not rely on, and waives any claim for breach of, any such representations which are not so confirmed.
4. Any advice or recommendation given by Valkin or its employees or agents to the Customer or its employees or agents as to the storage, application or use of the Goods which is not confirmed in

writing by Valkin is followed or acted upon entirely at the Customer's own risk, and accordingly Valkin shall not be liable for any such advice or recommendation which is not so confirmed.

5. Any typographical, clerical or other error or omission in any sales literature, quotation, price list, acceptance of offer, invoice or other document or information issued by Valkin shall be subject to correction without any liability on the part of Valkin.

3. ORDERS AND SPECIFICATIONS

1. No order submitted by the Customer shall be deemed to be accepted by Valkin unless and until confirmed in writing by Valkin.
2. No order which has been accepted by Valkin may be cancelled by the Customer except with the agreement in writing of Valkin and on terms that the Customer shall indemnify Valkin in full against all loss (including loss of profit), costs (including the cost of all labour and material used), damages, charges and expenses incurred by Valkin as a result of cancellation.

4. PRICE

1. The price of the Goods payable by the Customer to Valkin shall be the Valkin Sale Price.
2. Valkin reserves the right, by giving notice to the Customer at any time before delivery, to increase the price of the Goods to reflect any increase in the cost to Valkin which is due to any factor beyond the control of Valkin (such as, without limitation, any foreign exchange fluctuation, currency regulation, alteration of duties, significant increase in the costs of labour, material or other costs of manufacture), any change in delivery dates, quantities or specifications for the Goods which is requested by the Customer, or any delay caused by any instructions of the Customer or failure of the Customer to give Valkin adequate information or instructions.
3. The Valkin Sale Price is exclusive of any applicable VAT, which the Customer shall be additionally liable to pay to Valkin.

5. TERMS OF PAYMENT

1. Subject to any special terms agreed in writing between the Customer and Valkin, Valkin shall be entitled to invoice the Customer for the Valkin Sale Price on or at any time after Valkin has agreed to purchase them from the Supplier in accordance with the terms of the Agreement.
2. The Customer shall pay the Valkin Sale Price in accordance with the terms of the Agreement notwithstanding that delivery may not have taken place and the property in the Goods has not passed to the Customer. The time of payment of the Valkin Sale Price shall be of the essence of the Transaction.
3. If the Customer fails to make any payment on the due date then, without prejudice to any other right or remedy available to Valkin, Valkin shall be entitled to:
 - a. cancel the Customer/Valkin Purchase Order and/or the Agreement or suspend any further deliveries to the Customer;
 - b. demand payment of all outstanding balances whether or not due and/or cancel any outstanding orders from the Customer;
 - c. appropriate any payment made by the Customer to such of the Goods (or the goods supplied pursuant to any other transaction between the Customer and Valkin) as Valkin may think fit (notwithstanding any purported appropriation by the Customer); and
 - d. charge the Customer interest (both before and after any judgement) on the amount unpaid, at the rate of [twelve (12)] per cent per annum from time to time, until payment in full is

made.

4. Payment shall be in pounds sterling unless otherwise agreed in writing by Valkin.

6. INSOLVENCY OF CUSTOMER

7. RISK AND INSURANCE

1. Risk of damage to or loss of the Goods shall pass to the Customer upon acceptance by Valkin of the Customer/Valkin Purchase Order and the Customer shall insure the Goods from that date until title in the Goods passes to the Customer and for so long as the Goods remain in the ownership of Valkin. The Customer shall on Valkin's request provide Valkin with details of any such insurance policies and any copies thereof.
2. If the Customer shall not insure the Goods or shall fail to supply details of its policy on demand to Valkin then the Customer shall reimburse Valkin for the cost of any insurance which Valkin may reasonably arrange in respect of any of the Goods during the whole or any part of the period described in 7.1 hereof.
3. In the event that insurance monies paid to Valkin in respect of loss or destruction of the Goods shall be insufficient to discharge the sums payable to Valkin by the Customer the amount by which these sums exceed the insurance moneys shall forthwith become payable by the Customer to Valkin.

8. TITLE RETENTION

1.  - a. the property in the Goods remains vested in Valkin (notwithstanding the delivery of the same and the passing of the risk therein);

- b. the Customer shall store the Goods in such a way that they can be readily identified as being Valkin's property;
- c. the Customer shall on request inform Valkin of the precise location of each item of the Goods identified where applicable by its serial number, by supplying Valkin at the Customer's expense within seven days of Valkin's request with a written schedule of the said locations;
- d. the Customer may sell the Goods in the normal course of its business and may pass good title to its customer being a bona fide purchaser for value without notice of Valkin's rights on the following conditions:
 - i. Valkin shall be entitled, immediately as a result of its ownership of the Goods, to the beneficial ownership of the proceeds of such sale which the Customer shall accordingly hold as fiduciary for Valkin;
 - ii. The Customer shall account to Valkin on demand with the said proceeds of sale provided that no such demand shall be made by Valkin in the absence of its having reasonable cause to believe that the Customer might default in making payment for the Goods on the terms contained herein;
 - iii. Valkin shall be entitled to make a claim directly against the Customer's Buyer for any purchase monies unpaid by such Buyer provided that no such claim shall be made by Valkin in the absence of its having reasonable cause to believe that the Customer might default in making payment for the Goods on the terms contained herein;
 - iv. Valkin may at any time revoke the Customer's said power of sale in the circumstances set out in clause 5.3 and clause 6 of these Conditions, and in the event that the Customer shall breach any term of the Agreement.
 - v. The Customer shall notify Valkin without delay of any attachment of the Goods or actions by third parties which might infringe Valkin's title to the Goods.
- 2. Upon determination of the Customer's power of sale Valkin shall be entitled by itself its servants or agents to enter upon any of the Customer's premises for the purpose of removing and repossessing such Goods or their proceeds of sale and Valkin shall be entitled to claim from the Customer the costs and expenses incurred by Valkin in and ancillary to the process of such removal and repossession.
- 3. Until title in the Goods has passed to the Customer, the Customer shall not purport to be the owner of the Goods and shall not show the Goods as stock in the Customer's accounts.
- 4. Nothing in these Conditions shall:
 - a. entitle the Customer to return the Goods or to delay payment thereof;
 - b. render Valkin liable to any third party for any unauthorised representation or warranty made or given by the Customer to such third party in relation to the Goods; or
